BLOOM WHERE YOU ARE PLANTED

It is June and flowers are in bloom everywhere! Halfway through nursing school, my friend and I decided we would go to Hawaii after graduation to work in psychiatric nursing. Fast forward—I got married during school to a soldier and ended up in North Carolina. She went home to upstate New York and worked locally. Then, with another friend, moved to California for a few years before returning to New York and a career in orthopedic nursing. She did however meet her future husband in California. I ended up, after a few moves, in Oncology for 30 plus years!

One never knows where he or she will end up or where the journey will take them—only God knows. Jeremiah 29:11 tells us “for I know the plans I have for you...(plans to prosper you and not to harm you, plans to give you hope and a future.”) Always have plans for the future; but be flexible. There may be twists and turns. God may have other ideas and only He knows what you are capable of and what is best for you. This applies to each of us as well as our church as we enter a new era.
